

“Oh, that we might know the Lord!
Let us press on to know him!”

GOD CHASERS CLASS

***SUNDAY MORNING ADULT BIBLE STUDY
FELLOWSHIP HALL 9:15 AM***

Winter study
The Gospel for people who
already believe the Gospel.
**January 22: The key to
enduring and persevering**

Take a minute to think about enduring and persevering. What are one or two things in your life right now that you really must endure (whether you are enduring well or not)? Or what is a difficult responsibility or challenge in your life through which you really need to persevere (whether you are persevering at it rather well right now or not)?

I'm asking you to identify your answer before class on Sunday. Please think about it and name it out loud to yourself. Having something specific in mind, real to your own situation, will help you gain the most benefit from our study this week.

On Sunday we will continue our digging in the first chapter of Colossians, a chapter full of rich spiritual insight. And unless you don't have your copy of the book yet, we'll assume you have read Chapters 1 - 4 of *Jesus + Nothing = Everything*, by Tullian Tchividjian.

Here is a “tweet” from Tullian, sent out last week to 29,500 people. If you were in class this past Sunday morning, you probably wrote this one down. It's worth assessing and absorbing (and for me, absorbing means repetition). Think—or think again—about this:

One reason we struggle in our efforts to obey is because we obsess more over our performance for Jesus than we do over Jesus' performance for us.
